

CNJG 2021 VIRTUAL ANNUAL MEETING & HOLIDAY GATHERING

From Moment to Movement: Upending Traditional Philanthropy

... MONDAY, DECEMBER 13 & TUESDAY, DECEMBER 14 ...

A not-to-miss virtual event for Council members and NJ's philanthropic sector

This year's Annual Meeting & Holiday Gathering, *From Moment to Movement: Upending Traditional Philanthropy*, will tackle how we can sustain and build on the momentum of the past two years to confront uneven power structures in the philanthropic sector and address larger systemic issues. We'll explore learnings from the field that highlight how responsive, flexible grantmaking that centers relationship building, collaboration, and equity can exist and even flourish to meet today's most pressing challenges.

To help guide our thinking and inform our learning journey, we're pleased to welcome our keynote speaker, **Marcus Walton, President & CEO, Grantmakers for Effective Organizations**
