United for ALICE

What we do:

- Driver of innovation for ALICE households since 2007
- Research team developed and updates a set of comprehensive measures of financial hardship
- Data for all 3,000+ counties in U.S.
- ALICE partners convene, advocate, and innovate in their local communities to highlight the issues faced by ALICE households and to generate solutions that promote financial stability
- ALICE Recovery Fund

UnitedForALICE.org
Who is ALICE?

- **Asset Limited, Income Constrained, Employed**
- Above FPL, below Household Survival Budget
- Low-wage jobs – cashiers, health care workers, security guards, laborers, office administration
- No savings...
  - For emergencies
  - For investing in the future – education, homeownership, retirement

**Key Terms**

- **Household Survival Budget:** The bare-minimum costs of basic necessities (housing, child care, food, transportation, health care, and a smartphone plan).
- **ALICE Threshold:** The average income needed to afford the Household Survival Budget. Households below the ALICE Threshold include both ALICE and poverty-level households.
- **ALICE:** Households with income above the Federal Poverty Level but below the basic cost of living.
- **Poverty:** Households earning below the Federal Poverty Level
- **Total Households:** The number of households as reported by the American Community Survey.
COVID-19 Crisis is Unprecedented

- 37% of households in STATE were already vulnerable
  - 10% of households are in poverty
  - 27% of households are ALICE
- The number of ALICE households will increase
  - Rising unemployment
  - Closed businesses
  - Halted production of goods/services
- Inequalities are exacerbated by the pandemic

Economic Relief Package

NJEDA initiatives aimed at stabilizing and revitalizing local small and mid-size businesses, nonprofits, and startups or other early-stage companies

April 27, 2020
We have developed our economic stability approach around three core principles

1. **Get funding into the market as soon as possible**
   - Where possible, adjust existing NJEDA programs to address crisis needs
   - Utilize multiple channels / partners to maximize marketing of programs and minimize processing capacity constraints

2. **Leverage private, federal, and philanthropic capital** where possible to scale impact

3. **Provide a suite of compatible offerings to help address varied marketplace needs**
   (e.g., grants, no-cost loans, low-cost loans, loans through intermediaries, technical assistance)
