Go to [https://www.cnjg.org/directory](https://www.cnjg.org/directory) to access the directory. You can also find the member directory in the MEMBERS menu located across the top of the website.

The “Public View” of the member directory, available to anyone who is not logged in, is searchable by name or funder category only:

When you click on an organization, you only see the following information:

To see the “Members Only View”, you must LOGIN ([reminder: check the upper right hand corner of the website for your login status](https://www.cnjg.org/directory)). If you don't see [ACCOUNT](https://www.cnjg.org/directory) in the upper right corner, click [LOG IN](https://www.cnjg.org/directory).
In the “Members Only View” CNJG members can see the organization’s name, address, phone and website. On the right, you can find other member funders by filtering by Funding Area, Funder Category, County (where the Funder is located), and Staff Size Range:

You can use one or more filters to narrow down the organizations listed. Please note: the filters use the “AND” Boolean logic only. This means if you select both “Education” and “Children” Funding Areas, the filtered list will show only those member funders that fund “Children” AND “Education”. To clear any filters, click on the “X” next to the selection.

To see more information about the Foundation, click on the name of the organization:
(The information displayed comes from your submitted Member Profile Form when your organization joined or renewed. If any organization or contact information is incorrect, please contact Craig Weinrich at (609) 414-7110 x802.)

Members are also able to search for individuals. Starting back at the Member Directory start page (http://www.cnjg.org/directory), click on above the search box to now search for a contact name by typing their name, or by using the filters located on the right to filter by Funder Category and Areas of Interest.

Click on a name to see that person’s contact information and Areas of Interest:

Click on an Area of Interest to see other contacts that have the same interest.

If a contact is affiliated with another organization you’ll see that affiliation under related organizations. For example, Edward Ahart, who, in addition to being the Board Chair of the Fannie E. Rippel Foundation, is on the Board of the Mimi Washington Starrett Foundation.
